

FLOODLIGHTING OF ST WILFRID'S CHURCH

Sponsorship invitation

So many people in the parish have commented on how wonderful the village looks when St Wilfrid's is lit up during the winter months, that wonderful homely glow as people travel back from work each day and finally realise that they have reached their destination of home.

Prior to last year the cost of floodlighting St Wilfrid's Church for the benefit of the whole community has fallen on the shoulders of the small number of dedicated people from within our community who support St Wilfrid's on a regular basis.

Last year, however, several businesses and a number of individuals undertook to sponsor the floodlighting, which meant that the cost (some £600 for the winter period between the clocks changing) didn't have to be borne by St Wilfrid's and its small but dedicated number of supporters.

It is planned to again offer sponsorship opportunities at £35 per week, with sponsors being recognised in the Parish Magazine and also on the Church Website.

If you would like to sponsor a week (or more) of floodlighting at St Wilfrid's, either for yourself, or in memory of someone, then please contact Churchwarden Stuart Wroe or the Rector as soon as possible.

Stuart Wroe tel: 01977 672229 or stuart@stuartwroe.plus.com

Rector Tel: 01977 680788 or hetherington556@btinternet.com
